

SANA NURSERY AND PRIMARY SCHOOL

CO-CURRICULAR ACTIVITIES REPORT

JUNE & JULY 2025-2026

**JUNE THEME :
ENVIRONMENTAL AWARENESS &
CLEANLINESS**

JULY THEME : DISCIPLINE & SAFETY

CLASS : GRADE 2

CO-CURRICULAR ACTIVITY

Co-curricular activities are structured programs done in our school that complement the academic curriculum. They provide opportunities for students to learn and grow in areas beyond traditional classroom subjects, enhancing students overall educational experience. These activities are designed to support and enrich what students learn in their regular coursework, fostering skills and development in various domains.

JUNE THEME 1- ENVIRONMENTAL AWARENESS (SAVE TREES)

ACTIVITY: Thumb Printing and Color Paper Sticking.

VALUE: Environmental Stewardship and Responsibility

OBJECTIVE: To instill environmental awareness and promote eco-friendly habits among students. It also enhances students fine motor skills, cognitive development and spatial awareness.

DESCRIPTION:

Poster Making: Students created posters emphasizing the importance of reducing, reusing, and recycling.

Slogan Writing: Students wrote eco-friendly slogans, showcasing their creativity.

Discussion: A class discussion on simple actions to protect the environment, such as saving water and reducing plastic use.

LEARNING OUTCOMES:

- Students developed an understanding of environmental conservation.
- Students demonstrated creativity and enthusiasm for eco-friendly practices.
- The activity encouraged students to take small steps towards a greener future.

JUNE THEME 2- CLEANLINESS

ACTIVITY : Role Play on washing hands and Classroom cleanliness.

VALUE : Personal hygiene responsibility & clean Environment

OBJECTIVE: Social , moral ,health , communication, language development & importance of cleanliness.

DESCRIPTION : In this activity students showed their enthusiasm in doing role play on washing hands and classroom cleanliness which resulted in fun and educational roleplay. Students learnt importance of cleanliness and clean environment by acting out by throwing out trash in dustbin , washing hands and keeping healthy hygiene.

LEARNING OUTCOME : In this group activity students showed excitement in coming all together and acting out on how to be clean, washing hand, putting trash in dustbin and to keep surroundings clean and also encouraging each other in cleanliness. By this they check themselves on everyday basis and also remind their peers to keep themselves and surroundings clean eg. during lunch break / when class is not clean.

JULY THEME - DISCIPLINE AND SAFETY

ACTIVITY : Badge - Making Activity and Speech

VALUE : Responsibility

OBJECTIVE : To encourage students to understand importance of Discipline and Safety in school and other environment . To enhance cognitive , fine motor , sensory, language and confidence development

DESCRIPTION : In Badge making activity students were encouraged to bring color paper , glue , foam clay, safety pins , color pens etc. Students designed their badges naming “Safety Champ ” or “Discipline Leader” individually.

In Speech activity students spoke in assemble few lines on importance of Discipline and Safety which enhanced them in confidence , language development, enriched vocabulary building and enhanced thinking and expression abilities.

LEARNING OUTCOME : Students designed colorful badges with their own understanding and creativity enhancing fine motor /cognitive skills while sticking ,cutting, drawing / writing , molding clay helped in sensory development.

speech activity enhanced students confidence , language development, enrich vocabulary and enhance thinking and expression abilities.

CONCLUSION

Co- Curricular activities developed students in better way which includes;

- Responsibility
- Fine-motor skill
- Safety
