

SANA NURSERY AND PRIMARY SCHOOL

CO CURRICULAR ACTIVITY - 2

JULY 2025 -2026

THEME-DISCIPLINE AND SAFETY

Classes Involved: Grade 3,4& 5

As part of our school's ongoing efforts to inculcate important values and life skills among students, a co-curricular activity was organized on the theme **"Safety and Discipline"**. The event aimed to raise awareness about personal safety, responsible behavior, and the importance of discipline in daily life both within and outside the school campus.

Activities Conducted

Poster-Making Competition: Children created colorful and meaningful posters highlighting safety signs, emergency numbers, and slogans about discipline. Selected posters were displayed on school bulletin boards.

Safety Awareness: A student-led awareness program on **"Safety and Discipline"** was conducted. The initiative was designed, organized and presented by students. They took the lead in educating their fellow schoolmates on crucial aspects of personal safety and the importance of disciplined behaviour.

Discussion Session: Teachers facilitated classroom discussions on the consequences of indiscipline and the benefits of following rules. Students shared their own experiences and suggestions on how to create a safe and respectful school environment.

Learning Outcome:

The activities proved to be an enriching experience for all participants. It successfully sensitized the students to follow safety protocols and maintain discipline in all areas of life. Students learned to identify risky situations, respond responsibly, and understand the importance of rules and regulations in ensuring their well-being.

The school plans to continue integrating such value-based themes into the co-curricular calendar to nurture responsible and aware citizens of tomorrow.

Grade 3

Activity- Power point presentation on safety rules and discipline and poster making.

Description: Students were shown power point presentation on the importance of following safety rules and being discipline at school and personal life. Students were made to understand, that discipline and safety are inter related and without discipline, safety rules cannot be practiced. They also made posters on safety rules highlighting road safety.

Grade 4

Activity-Poster making on safety rules and awareness drive.

Description: Students made posters on safety rules to be followed at school and home. Students of grade 4 went across various grades and explained the safety rules and importance of following it. They spoke about school safety and home safety.

GRADE 5-

Activity- Speech

Description-Students spoke about discipline rules to be followed in school and in personal life. They emphasized the importance of discipline and highlighted the point that discipline is the driving force that leads everyone's life to success.
