LKG B – Ms. Faridha A S & Ms. Syed Ali Fathima

LKG C – Ms. Salma & Ms. Kanitha Shaheen

A Joyful Display of Community Helpers

The Role Play Activity for Presentation KG and all three LKG classes was held on 14th November 2025 at SANA Nursery and Primary School. The objective of the program was to introduce young learners to various community helpers and help them understand their roles in everyday life.

Children enthusiastically dressed up as Doctors, Nurses, Teachers, Police Officers, Soldiers, Farmers, Chefs, Firefighters, Carpenters, Postmen, Shopkeepers, Drivers, and more. Many costumes were beautifully handmade or creatively arranged by parents, turning preparation time into a fun bonding experience.

Each child confidently stepped forward to introduce themselves and speak a few lines about the community helper they represented. Their innocence, expressions, and delight made the activity lively and heartwarming. The classrooms were filled with joy, applause, and appreciation as children proudly performed their little roles.

Advantages of the Activity

- *Enhances Communication Skills:* Children practice speaking clearly and confidently.
- *Encourages Imagination and Expression:* Dressing up and acting builds creativity.
- *Builds Social Understanding:* Students learn the importance of different community helpers.

- *Boosts Confidence:* Performing before classmates strengthens self-esteem.
- *Supports Parent–Child Bonding:* Creating costumes together encouraged teamwork at home.

Subject Integrate

1. *Language Development:* Speaking lines, vocabulary building, and active listening.
2. *Environmental Studies (EVS):* Understanding how community helpers contribute to society.
3. *Art & Craft:* Handmade costumes and props encouraged creativity and fine motor skills.
4. *Social & Emotional Learning:* Respect, empathy, confidence, and teamwork.

Conclusion

The Role Play Activity on Community Helpers was a wonderful success, filled with creativity, learning, and joyful participation. The confidence and enthusiasm shown by the children made the event memorable. We appreciate the efforts of parents and teachers whose support made this activity engaging, educational, and enjoyable for all.

Evidence

Photographs of the activity will be inserted here to showcase student participation and creativity.
