

20th ANNUAL DAY 2024

Date: Aug. 24th and 25th, 2024.

Venue: Sana School Auditorium

Overview:

Our school organised our 20th Annual Day celebrations with much joy and enthusiasm. Nearly all students participated in a variety of programmes, with each one emphasizing on a strong message. There was a noted divergence in the kind of themes used. Some were praising Allah and His Prophets, highlighting the Shariah, saving the environment, supporting the children of Palestine, depicting the history of Tipu Sultan, unity and harmony, pyramid formation, and patriotism. All the programmes were a real treat to all eyes.

The Annual Day was presided over by two very esteemed guests, Dr. Mrs. Amthul Azeez, Principal of Justice Basheer Ahmed Sayed Women's College, and Nawab Asif Ali, the Dewan to the Prince of Arcot. All members of the Trustee and the management of Sana Model School were present. Their presence added a crowning glory to the joyous occasion.

Students were awarded with prizes for general proficiency in academics and perfect attendance, while Mrs. Shahana and Mrs. Nilofar received achievement awards for ten years of service. A few non-staffs were also awarded for their long tenure in school.

The event was well-planned and executed and was a grand success. It was a memorable event for both the staff and the students.
