Description of the event:

A career guidance program was conducted on 22/11/24 at Sana Model School for the benefit of students from classes IX to XII. The program aimed to provide insights into various career

opportunities and equip students with the knowledge to make informed decisions about their future.

The event began with an introduction by Dr. JM Jaffar Sadiq, who emphasized the importance of early career planning. He discussed current trends, required skills and the scope of various professions. Interactive sessions were also held to address students' queries and concerns. Highlights of the program included aptitude testing, motivational talks, and personalized counseling sessions. Feedback from students indicated that the program was highly informative and inspiring.

In conclusion, the career guidance program was a resounding success, empowering students to explore their interests and pursue their ambitions confidently. It was recommended to organize such initiatives regularly to guide students effectively.
