

Grade 6-8

## Safety and discipline

July 24

**Title of the activity:** Safety and discipline

**Classes involved:** Grade 6-8

**Month and year:** July 2024-25

**Teachers Responsible:** All class teachers

Description of the activity: This activity encompasses the two main components like safety and discipline which is pivotal in the growth and development of each child. Safety in the school and on the road was illustrated to the children in a fair way. Discipline is a primrose of every school to train the children for their betterment.

**Objective:** The primary aspect of every school is to provide a safe and secure environment for every student. Students are trained to be proactive in the environment around them. Every child has numerous avenues for making themselves disciplined at school.

**Learning Outcome:**

- To create a safe and secure environment at school.
- To know about the safety measure to be followed at school.
- To accomplish disciplinary measures at school.
- To establish road safety rules.

**Skills involved:**

- Communication
- Interdisciplinary approach
- Analytical ability
- Collaboration
- Comprehensive attitude
- Cooperative mindset.
